

Corrected investor valuation - revision 2

Alderwick Climate Partners VI. Reporting date: 31 May 2026. Revision issued: 8 June 2026.

The investor NAV of EUR 1,482,770.10 in revision 1 is withdrawn and superseded. Do not use that amount as a current valuation.

The corrected investor NAV for Alderwick Climate Partners VI as of 31 May 2026 is EUR 1,496,215.80. This revision replaces the earlier mark for the same reporting date.

The correction arose from a custody receivable adjustment. It does not represent a capital contribution or distribution.
