

Corrected investor NAV

Maple Meridian Infrastructure I

Maple Meridian Infrastructure I: the investor NAV as of 2025-12-31 is GBP 1,404,722.84.

This is the investor position value, not total manager assets. This statement is a valuation observation, not an investment-return calculation. Cash flows, book cost and liquidity are not supplied.

This final correction supersedes our earlier 2025-12-31 investor NAV. The withdrawn figure was GBP 1,412,500.61 and must not be treated as the current mark. Reason: the manager corrected an accrued expense allocation.
