

Corrected investor NAV

Willow Meridian Infrastructure I

Willow Meridian Infrastructure I: the investor NAV as of 2025-12-31 is CHF 1,678,082.84.

This is the investor position value, not total manager assets. This statement is a valuation observation, not an investment-return calculation. Cash flows, book cost and liquidity are not supplied.

This final correction supersedes our earlier 2025-12-31 investor NAV. The withdrawn figure was CHF 1,685,860.61 and must not be treated as the current mark. Reason: the manager corrected an accrued expense allocation.
